What you need, when you need it.
From tips on how to nail the ACT to calculating the cost of college, Get2College.org has what you need when you need it. Here are a few of our favorite resources:

• Scholarship Search Tool— Explore private scholarships available from state and national organizations.
• EFC Calculator— Understand what your college might expect your family to contribute to the cost of college.
• College Comparison Tool— Compare your top college choices side-by-side.
• Student Loan Repayment Calculator— Estimate how much you’ll owe monthly on your student loan after graduation.
Tips for Juniors

Take challenging courses

The courses you take in high school show colleges your academic readiness. Sign up for advanced classes, honors sections, and AP or IB classes. Choose electives that stretch your mind and help you develop new abilities. Research academic coursework required by colleges and universities of interest. Earn the best grades you can. This is the last chance to bring your grades up for college applications.

Self exploration and essay writing ideas

You can complete college applications as early as the summer before your senior year. These applications often require essays, so now is the time to explore what sets you apart from other students. Also, review your social media to make sure it represents you in a positive manner.

Prepare for standardized testing

Your ACT or SAT scores may be considered for admission into your desired college as well as awarding financial aid and scholarships. Prepare for standardized tests by taking prep classes your school offers or free summer workshops. ACT recommends students take the ACT at least once during their junior year.

Explore your best college fit

Create a list of colleges and universities you are interested in. Visiting their websites can help you find out more.

1. 
2. 
3. 

Connect with an admission recruiter who can help you get to know more about the college and answer questions about the application process. Take a tour of each campus and talk to students about what it’s like going to school there. Visit with professors who teach classes in your desired major. Explore the residence halls and sit in on classes to get an idea of what a day in the life on campus would look like.

Research financial aid and scholarships

Document your success

Summer jobs, extracurricular activities, academic programs, camps, and workshops demonstrate to colleges your leadership skills. Document these activities in a college resume along with any awards or recognition you receive.

Career growth

Consider this: When exploring careers, WHAT you want to do is only part of the story. Also, consider WHERE you want to do it. If you want to be an engineer but are passionate about the environment, consider being an engineer at a renewable energy company. If you are interested in a career in finance but want to work in the healthcare industry, consider working as an accountant for a doctor’s office or hospital.

In addition to choosing your career path, explore employers that have opportunities available in your field. You might be surprised by what you find.

We like to think of it like this:

**Opportunities**

**Career**

**Skills**

**Interests**

Choose carefully when selecting a major since your program of study may impact your earnings more than your education level. On average, higher levels of education are associated with higher earnings—but that isn’t always the case.

Check out the interactive database at [Get2College.org](http://Get2College.org) where you can find jobs that are in-demand and growing in Mississippi and learn about starting salaries and annual wages.
What is my definition of college?

1 year
Certificate
A non-degree credential is usually issued by a community college or other higher education institution.
Example: Practical Nursing

2 years
Associate Degree
A two-year degree is issued by a community college.
Example: Associate Degree in Applied Science

4 years
Bachelor's Degree
A four-year degree is issued by a college or university.
Example: Bachelor of Science in Sociology

Your college fit
Think of college as any education after high school that leads to financial stability. A good college fit is when a college meets a student’s needs and wants academically, socially, and financially. Your ideal college might look different from where your family or friends attended. Find the college that fits you best.

College size:
• What is the average class size for freshman classes?
• How many students live on campus?
• What percentage of students are from in-state vs. out-of-state?
• Is there diversity on campus (ethnic, geographic, family income)?

Degree options:
• A certificate or technical degree (Ex: Welding or Cosmetology)
• Associate – 2 year (Ex: Associate of Arts or Associate of Applied Science)
• Bachelor’s – 4 year (Ex: Bachelor of Arts in Communication)
• Master’s degree (Ex: Master of Education in Counselling)
• Doctorate (Ex: Medical, Dentistry, Pharmacy, Physical Therapy, History, or Law)

College type:
• Public or private
• Community college or four-year institution
• Historically Black Colleges and Universities (HBCUs)
• Online programs
• All male or female student body
• Religious affiliation
• Military academy
# Requirements for college admission

If you want to go to one of Mississippi’s eight public universities, you should meet the requirements for one of the tracks.

## TRACK 1
- 3.2 GPA minimum
- Complete CPC with a minimum 3.2 high school grade point average (GPA) on the CPC

## TRACK 2
- 16+ ACT
- 2.5 GPA minimum or top 50% of class
- Complete CPC with a minimum 2.50 high school GPA on the CPC or a class rank in the top 50% and a score of 16 or higher on the ACT*

## TRACK 3
- 18+ ACT
- 2.0 GPA minimum
- Complete CPC with a minimum 2.0 high school GPA on the CPC or a class rank in the top 50% and a score of 16 or higher on the ACT*

## TRACK 4
- NCAA National Collegiate Athletic Association
  - NCAA Division I standards for student-athletes who are “full-qualifiers” or “academic redshirts” are accepted as equivalent to the admission standards established by the Board.
  - For more details, visit eligibilitycenter.org.

*Instead of ACT scores, students may submit equivalent SAT scores.

---

**DON’T MEET THE CRITERIA?**

Students who do not meet the above criteria are still eligible for admission if they participate in a Summer Developmental Program (SDP). Students will enroll in one or more deficient subject areas (English, Reading, or Mathematics) based on ACT subscores and/or ACCUPLACER scores.

ACCUPLACER is a series of tests that evaluate students’ skills in reading, writing, and math to help college administrators place them in courses that match their skills. They receive training in study skills and counseling to enhance their ability to succeed at the university.
Classes needed for college admissions (18 units)

The College Preparatory Curriculum (CPC)

**ENGLISH**
All must require substantial communication skills (i.e. reading, writing, listening, and speaking). Compensatory Reading and Writing may not be included.

**MATH**
CPC-APPROVED
- **ALGEBRA I**
- or equivalent
- **MATH HIGHER THAN ALGEBRA I**
  - (2 units)

**SCIENCE**
- **BIOLOGY I**
  - or equivalent
- **SCIENCE HIGHER THAN BIOLOGY I**
  - (2 units)

**SOCIAL STUDIES**
Units must include integrated courses of social sciences and humanities promoting civic competence.

**ARTS**
Includes any one Carnegie unit (or two ½ units) of visual and performing arts course(s) meeting the requirements for high school graduation.

**ADVANCED ELECTIVES**
Option 1: Foreign Language I and II
Option 2: Foreign Language I & one Unit from Option 3
Option 3: (1) Any combination of advanced electives above the required Carnegie units as noted in the Office of Academic and Student Affairs CPC Manual and/or any Advanced Placement (AP), Academic or Career and Technical Dual Credit (DC), International Baccalaureate (IB), or Advanced International Certificate of Education (AICE) course. (2) Completion of any two-year Career and Technical course may count as one unit. Example: completion of both Health Sciences I & II will count as an advanced elective.

**TECHNOLOGY OR COMPUTER SCIENCE COURSE**
A technology course is defined as one that emphasizes the use of technology as a productivity tool. Instruction should include utilizing various forms of technology to create, collaborate, organize, and publish information. The application of technology as a productivity tool, rather than specific hardware and/or software packages should be the focus of the course.

To learn more about IHL admission and CPC requirements, scan the QR code below!

**Note this change**
As of 2023, only 3 social studies units are required.

**TAKING DUAL ENROLLMENT?**
Dual enrollment courses are considered earned college credits. After graduation, make sure you request a transcript to be sent before attending summer orientation, so you don’t duplicate credits on your class schedule. Your college GPA begins with any dual enrollment coursework, so it’s important to take these classes seriously and study hard!

You may receive an invitation to join Phi Theta Kappa (PTK) International Honor Society because of your grades from your dual enrolled courses. This is a big accomplishment that can lead to scholarship opportunities when you enroll full-time in college.

**TEST-TAKING STRATEGIES**

**Pace yourself and answer EVERY question**
Concentrate on the easy/medium questions to gain the most points. There is no penalty for guessing on the ACT, so guess on the hard questions if you are uncertain of the correct answer or you run out of time. The ACT booklet won’t be graded, so mark it up as you narrow down your answers, show your work on math problems, and underline key information in passages.

**Practice makes perfect**
The ACT is a standardized test, so you can learn what you will be tested on and how the questions will be asked. Practice as if you are taking the real ACT, so get up early to practice while you are TIRED! Practicing will help you become more accustomed to taking the ACT.

**Process of elimination**
Narrow down your choices before taking a guess. A 50% chance of getting it correct is better than a 25% chance.

**Spot of the day**
Pick a spot of your choice before starting the test. Use that spot every time you need to guess or run out of time. It will increase your odds of getting questions correct compared to randomly guessing.

Approach questions on the ACT in one of three ways:

**DO NOW**
Easy questions are ones that don’t take long to solve. Go ahead and answer them to get them out of the way!

**DO LATER**
Medium questions can take a little time to figure out. Skip these and come back to them.

**DO NEVER**
Hard questions are going to take a while to figure out the answer. Rather than use precious time, use your Spot of the Day!

ACT WorkKeys
Career Readiness Certificate

For students pursuing a Traditional Diploma with a Career and Technical Endorsement, they must earn silver level on ACT WorkKeys. WorkKeys is a system of assessments and curriculum that build and measure essential workplace skills that can affect your job performance and increase opportunities for career placement and advancement.

With ACT WorkKeys, you can earn your National Career Readiness Certificate (NCRC*), an assessment-based credential issued at four levels: Platinum, Gold, Silver, and Bronze. The NCRC measures and certifies the essential work skills needed for success in jobs across industries and occupations.

An NCRC is earned by achieving a Level Score of 3 or better on all three WorkKeys assessments:

- Applied Math
- Workplace Documents
- Graphic Literacy

They are also available in Spanish.

WORKKEYS PREPARATION

Through Skill UP MS programs, ACT WorkKeys Curriculum is available to prepare individuals for the ACT WorkKeys Assessments leading to the National Career Readiness Certificate (NCRC) at skillupmississippi.com/#programs

Progress Toward the ACT National Career Readiness Certificate®

This indicator provides an estimate of the ACT National Career Readiness Certificate (ACT NCRC®) that students with your ACT Composite score are likely to obtain. The ACT NCRC is an assessment-based credential that documents foundational work skills important for job success across industries and occupations. Visit www.act.org/NCRC-indicator to learn more.

Students with your ACT Composite score are likely to obtain a Silver level on the ACT NCRC.
Private Scholarships

Begin research as early as your junior year. Many scholarships are not posted until the fall of your senior year but deadlines start popping up as early as December. Ask your high school counselor or career center manager for a list of scholarships.

Use the Get2College Scholarship search tool and browse other popular scholarship sites like:

- bigfuture.collegeboard.org
- fastweb.com
- unigo.com
- bold.org

College Scholarships and Grants

Most scholarships come directly from individual colleges. These may be based on academic merit, leadership, community service, financial need, or talents such as athletics, art, or music. You must be accepted for admission in order to receive scholarships and financial aid. Most admission applications can be found online at each college’s website. Make sure you meet all priority deadlines!

Cost of Attendance

is the total estimated cost of attending a college and includes tuition, fees, housing, meals, books, and other living expenses.

Community colleges in Mississippi

$12,046 avg. annual cost of attendance

$3,120 - $4,050 annual tuition 2022-2023

Public universities in Mississippi

$23,966 avg. annual cost of attendance

$7,394 - $9,358 annual tuition 2022-2023

Tuition and fees are subject to change.
If you attend a community college, join Phi Theta Kappa. Eligible students will receive an invitation if membership requirements are met, typically 3.5 GPA and 12 credit hours. Phi Theta Kappa members are eligible for transfer scholarships at Mississippi four-year colleges and universities. *UMMC does not currently offer PTK scholarships.

Mississippi Aid: MAAPP

The Mississippi Office of Student Financial Aid offers grants based on merit and financial need to full-time students attending eligible Mississippi colleges and universities. To receive any state assistance, you must take and pass at least 15 hours each semester (Fall/Spring). If students meet the requirements for more than one grant, students will be awarded the state grant with the highest amount.

The application is available at msfinancialaid.org or you can link to the Mississippi application after completing the FAFSA and most of your info will be prefilled.

Federal Aid: The FAFSA

The FAFSA is the Free Application for Federal Student Aid and is required to receive any federal funds. Federal funds include Pell Grant and other need-based and non-need-based grants, work-study program, and student loans. The FAFSA may also be used for awarding some state aid, institutional aid, and even private scholarships. Apply at studentaid.gov.

If you have any special circumstances, contact the Financial Aid Office of the school you plan to attend.

Some schools may require the CSS Profile in addition to the FAFSA.

FAITH Scholarship:

Foster youth are now eligible for full college scholarships. Learn more at: www.msfinancialaid.org/faith.
**Mississippi Aid Application (MAAPP)**

Apply as early as October 1 at [msfinancialaid.org](http://msfinancialaid.org). A link to the state aid website is also available from the FAFSA confirmation page.

**MTAG - Mississippi Tuition Assistance Grant**

Application deadline: September 15, 2023, with supporting documents due by October 15, 2023

Pays up to $500/year for freshmen and sophomores and $1000/year for juniors and seniors.
- Requires a 15 ACT
- 2.5 GPA
- Students cannot be maximum Pell-eligible

**MESG - Mississippi Eminent Scholars Grant**

Application deadline: September 15, 2023, with supporting documents due by October 15, 2023

Pays $2,500/year.
- Requires a 29 ACT

**HELP - Higher Education Legislative Plan**

Application deadline: March 31, 2023, with supporting documents due by April 30, 2023

Covers full tuition and required fees for eight semesters at a public institution. Students attending a private institution in Mississippi will receive an award amount equal to the average tuition costs for the public Mississippi universities. Eligible students meet the following criteria:
- Requires a 20+ ACT
- 2.5+ GPA
- College Prep Curriculum
- Meet income requirements ($39,500 adjusted gross income for a family with one dependent). $5,000 added to the requirement for each sibling under the age of 21
- Be Pell eligible.
- Be within one year of high school graduation.

The Mississippi Office of Student Financial Aid accepts ACT superscores through the July 2023 test date.

FAFSA and Mississippi Aid Application Tips

FSA ID

- Make sure to save your FAFSA username and password (FSA ID). Students and parents, you'll need this every year to submit the FAFSA. You can only have one username per Social Security Number.
- When creating your FSA ID, enter your information as it is on your Social Security Card. Confirm that everything is correct before proceeding. This is very important so that everything processes correctly!
- Have you forgotten your FSA ID? If you are unable to send a text, email, or answer challenge questions, it’s time to call 1-800-4-FEDAID for help in resetting your information.

Completing the Application

- Know the information you will need to complete the FAFSA. Take time to gather these items beforehand. Find these documents on our website: get2college.org/ffasa-federal-aid
- If you get an error message while in the FAFSA, don't stress! Log out, clear your cache or try a different browser, and log back in. The FAFSA technology requires the browser history and cache to be cleared for a smooth submission process.
- If you are a dependent student, you must use parent's income information.

Which parent's information do I use on the FAFSA?

- If your biological parents are married (regardless of tax filing status), you will use both parents' information.
- If your parents are divorced or separated, the FAFSA instructs you to use the parent with whom you lived more during the past 12 months. Yes, stepparents are included on your FAFSA, so if your parent is remarried AS OF THE DAY you submit your FAFSA, you will use stepparent income and assets as well.

After submitting the FAFSA - Complete the MS Aid Application

When you submit your FAFSA, you will get a confirmation page. Don't close it! You will see a link to transfer your information to the MS Aid Application (MAAPP). Pay attention to your browser's pop-up blocker as it may block the application from opening.

If you provided your email address in the FAFSA, you will receive a confirmation email once you submit and a few days later, another confirmation email that the FAFSA is completed; this means the FAFSA information has been sent to the colleges.

After you submit your MAAPP, you will receive an email to create your log-in information for an online account. You will need this information to access the MAAPP online dashboard to access the status of your Mississippi Aid Application.

Tutorials for completing the FAFSA and MS Aid Applications can be found on our YouTube channel, or ask Cha-Ching, our 24/7 chatbot, any questions you have!
Pay for college

The following loan interest information provides the fixed interest rates for new Direct Loans first disbursed on or after July 1, 2022, and before July 1, 2023. These rates will apply to new Direct Subsidized Loans, Direct Unsubsidized Loans, and Direct Plus Loans made during this time.

**DIRECT SUBSIDIZED LOANS**
Undergraduate
4.99%

**DIRECT UNSUBSIDIZED LOANS**
Undergraduate
4.99%

**DIRECT UNSUBSIDIZED LOANS**
Graduate
6.54%

**DIRECT PLUS LOANS**
Graduate & parents
7.54%

**Subsidized**

To be eligible, students must show financial need. The government pays the interest until six months after graduation or after dropping below half-time enrollment.

**Unsubsidized**

These loans are available to any undergraduate student. The student borrower is responsible for interest payments from the time it is disbursed until the loans have been paid in full.

**Entrance Counseling**

You must complete entrance counseling at studentaid.gov before your school can make the first disbursement of your student loan. This helps you to understand your responsibilities regarding your loan.

**Master Promissory Note**

To take out a Direct Loan for the first time, you must complete a Master Promissory Note (MPN). The MPN will be provided either by your school or the Federal Department of Education.

**Get2College**

If you’re not sure how much your monthly payments will be on your student loan after graduation, Get2College’s Student Loan Repayment Calculator is the perfect tool for you. Simply input the amount of your loan, loan interest rate, and how long you have to pay it back, and it will estimate what your monthly bill will be. Find it here: bit.ly/repaymentcal

**Award Notification**

You will receive a financial aid award notification only from those colleges to which you have been offered admission. The award notification will tell you what financial aid you are eligible to receive, how to accept, and the next steps in the process. Typically, schools will allow you to accept your award online. However, you may receive an award letter by mail. You should determine which of the awards you will accept and which you will decline.

**EQUALS AMOUNT OF FUNDS STILL NEEDED FOR COLLEGE**
The summer before college

College isn’t as easy as just showing up for classes on the first day. It is important that you use the summer months to get everything in order so that you are ready to start your new life as a college student. Get a calendar or download an app that will help you stay organized.

**Housing**
If you plan to attend class in person and live on campus, make sure you meet housing deadlines and pay deposits, if required.

**Summer bridge programs**
Think of summer bridge programs like summer camps that prepare you for college. These programs give students a chance to live in residence halls, learn college traditions, and get to know the important people, places, and things on campus. It is a great opportunity to get your feet wet before diving in!

**Orientation**
Orientation typically happens over the summer months and can either be in-person or virtual. During orientation, you will register for classes, hear from current students, learn more about your major/field of study, and tie up any loose ends. Orientation Pro Tip—The earlier you attend orientation, the better the selection of classes you will have.

**Signing up for classes**
Every student must fulfill general education requirements before graduating with a degree. As a freshman, if you have not declared a major, taking your general education classes will give you the opportunity to explore different subjects and fields of study that may interest you. Get to know your advisor, who will help guide you through your course selection.

**Buying books**
Your campus bookstore is the easiest and fastest way to buy the books you need—but it may also be the most expensive. Some schools offer a book rental option. However you choose to do it, be sure to get the books and other resources you need.

**You’ve got mail**
After you are admitted, your college will begin communicating with you through a school-issued email address and student portal. Check your messages often and log into your school portal for important updates.

**LET’S START PACKING!**
Get2College, a program of the Woodward Hines Education Foundation, is committed to helping students navigate the complex process to college. This booklet is your guide to getting started on your journey to graduation and beyond! Make an appointment for virtual counseling or visit one of our centers.
