## DON'T MEET THE CRITERIA?

Students who do not meet the above criteria are still eligible for admission if they participate in a Summer Developmental Program (SDP). Students will enroll in one or more deficient subject areas (English, Reading, or Mathematics) based on ACT subscores and/or ACCUPLACER scores.

ACCUPLACER evaluates a student's skills in reading, writing, and math to help college administrators place them in courses that match their skills. They receive training in study skills and counseling to enhance their ability to succeed at the university.
