

# Share Early Awareness

Use the 27-28 Pell Look-Up Tables to educate students and families on their possible eligibility for Pell Grant.

*Note: These are drafts created by G2C. Federal Student Aid has not released theirs as of September 9, 2026.*

## **Student's Parent is a Single Parent**

| Family Size | 2025 Poverty Guideline | Max Pell Parent AGI Limit (225% of Poverty Guideline) | Min Pell Parent AGI Limit (325% of Poverty Guideline) |
|-------------|------------------------|-------------------------------------------------------|-------------------------------------------------------|
| 2           | \$21,150               | \$47,588                                              | \$68,738                                              |
| 3           | \$26,650               | \$59,963                                              | \$86,613                                              |
| 4           | \$32,150               | \$72,338                                              | \$104,488                                             |
| 5           | \$37,650               | \$84,713                                              | \$122,363                                             |
| 6           | \$43,150               | \$97,088                                              | \$140,238                                             |
| 7           | \$48,650               | \$109,463                                             | \$158,113                                             |
| 8           | \$54,150               | \$121,838                                             | \$175,988                                             |

## **Student's Parent is NOT a Single Parent**

| Family Size | 2025 Poverty Guideline | Max Pell Parent AGI Limit (175% of Poverty Guideline) | Min Pell Parent AGI Limit (275% of Poverty Guideline) |
|-------------|------------------------|-------------------------------------------------------|-------------------------------------------------------|
| 2           | \$21,150               | \$37,013                                              | \$58,163                                              |
| 3           | \$26,650               | \$46,638                                              | \$73,288                                              |
| 4           | \$32,150               | \$56,263                                              | \$88,413                                              |
| 5           | \$37,650               | \$65,888                                              | \$103,538                                             |
| 6           | \$43,150               | \$75,513                                              | \$118,663                                             |
| 7           | \$48,650               | \$85,138                                              | \$133,788                                             |
| 8           | \$54,150               | \$94,763                                              | \$148,913                                             |
